

RIAC: Where will it go?

Current and Future

RIAC CURRENT

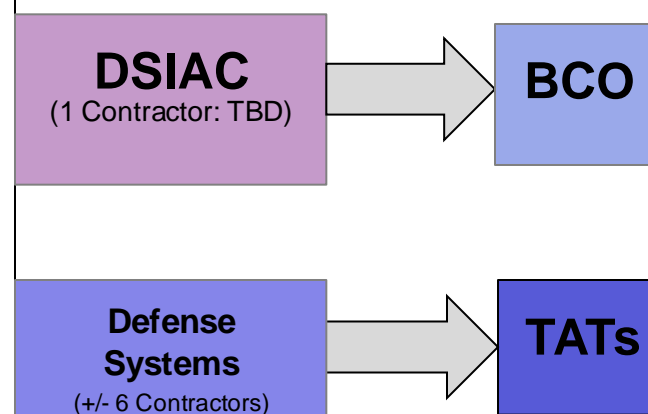

RIAC (Wyle Labs, under a subcontract to Quanterion Solutions) operates the Basic Center of Operations (BCO).

Contact: 256-837-4411
<http://theRIAC.org>

Wyle Labs is the prime contractor providing R&D analysis for RIAC Technical Area Tasks (TATs).

RIAC FUTURE

There will be one contract (DSIAC) for AMMTIAC, CPIAC, RIAC SENSIC, SURVIAC, and WSTIAC, as well as some new scope.

This will align with the Defense Systems contract for TATs.

Timeline:
DSIAC: December 2012
Defense Systems: June 2013
